

# STUDENT COVID-19 TESTING DATES

As part of our safe campus reentry plan, **all students must be tested at least twice** before starting the school year in person.

- **Test #1:** Taken up to 72 hours prior to your arrival on campus
- **Test #2:** Once you've arrived on campus

Students who test positive for COVID-19 on either test may not start the school year in person, and must start remotely.

## TEST #1

For test #1, families may elect to have testing with their own primary care physician or use one of our on-campus testing days, which we're offering for your convenience or in case you are unable to secure a test from your PCP.

**TEST #1** may be taken EITHER:

### Through your own primary care physician

*Test must be taken up to 72 hours prior to your arrival on campus.*

Note: the test must be a **COVID 19 PCR Molecular Test.**

OR

### On Campus

We will send additional information in the coming weeks, so that students can sign up for specific time slots on these days. Test results may take roughly 24 hours.

**Please note:**

- **Students will be expected to come to campus, take the test, and then depart from campus.**
- **These test dates are not move-in dates for boarders.**
- **Students arriving early to self-quarantine will be tested upon arrival.**

All day students and student leaders: **Tues. 8/25**

New boarders (in driving distance): **Weds. 8/26**

Returning boarders (in driving distance): **Thurs. 8/27**

## TEST #2

Test #2 must be taken on campus. Test results may take roughly 24 hours.

**Please note:**

- **Day students will be expected to come to campus, take the test, and then depart from campus.**
- **These test dates are move-in dates for boarders who will be expected to quarantine on campus until their results are known.**

All day students and student leaders: **Fri. 8/28**

New boarders: **Sat. 8/29**

Returning boarders: **Sun. 8/30**
