

## Computing Areas and Perimeters of Simple Figures

### Answer Key

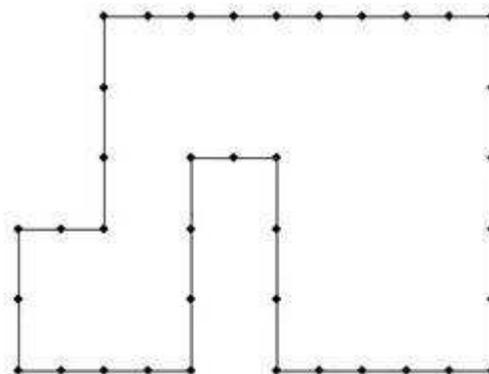

Find the area of each of the figures below. The figures were drawn on a grid whose horizontal and vertical segments are all 3 cm long.

1.

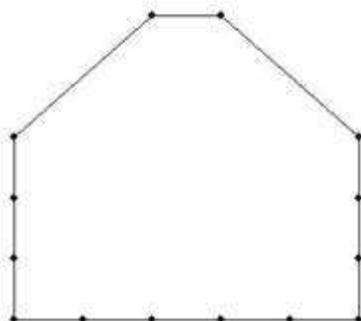

$$A = 117$$

2.

$$A = 396$$

3.

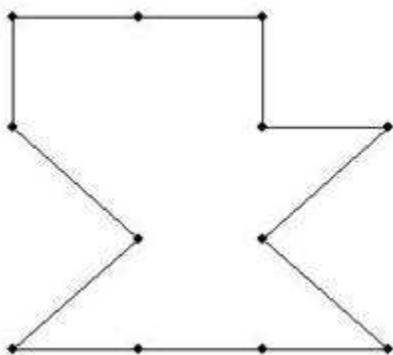

$$A = 189$$

4.

$$A = 54$$

5.

$$A = 54$$
