

# STUDENT COVID-19 TESTING DATES

March 2021

As part of our safe campus reentry plan, **all students must be tested at least twice** before resuming the school year in person. Your testing dates will depend on your arrival:

- **Test #1:** Taken either on campus, or up to 72 hours prior to your arrival on campus
- **Test #2:** On campus

Students who test positive for COVID-19 on either test may not resume the school year in person, and must attend remotely.

## TEST #1

TEST #1 may be taken EITHER:

### On Campus

Note: Test results may take 24-48 hours.

Boarding students arriving on or before Thursday, March 18, and all day students:

**Friday, March 19**

Boarding students arriving after March 19, who could not produce a negative test result 72 hours before arrival to campus:

**Monday, March 22**

OR

### Through your own primary care physician

Boarding students arriving after March 19 must take a test 72 hours prior to arrival on campus.

Note: The test must be a **COVID 19 PCR Molecular Test.**

## TEST #2

Test #2 must be taken **on campus**. Note: Test results may take 24-48 hours.

All day students, boarding students who take their first test on March 19, and boarding students arriving after March 19 who have produced a negative test result via their own primary care physician:

**Monday, March 22**

Boarding students who took their first on-campus test on March 22:

**Friday, March 26**
