

IF YOU TEST POSITIVE

Isolate/stay home for 5 days
(Day of positive test is day 0)

**Do you have symptoms
on day 5?**

NO

- Come out of isolation on day 6
- Wear a mask and have grab-and-go meals for 5 days after isolation

YES

- Continue to isolate until symptoms resolve (consult with Health & Wellness if unsure)
- Wear a mask and have grab-and-go meals for 5 days after isolation

PLEASE NOTE:

- Individuals who have tested positive during the last 90 days will not be retested unless there are concerns about new infections.
- Due to the difficulties of strictly masking in a shared room, if a roommate tests positive, they must follow the flow chart above, but in addition, must also have 2 negative antigen tests (24 hours apart) before they can return to their shared room.
- All policies are subject to change as the COVID situation evolves or based on individual circumstances. If you have any questions or concerns not addressed by this chart, please contact Health and Wellness Services.
