Financial Aid
Timetable 2023-2024

December 15, 2022	**Returning Parents**: Submit PFS online with appropriate supporting documents including 2020 and 2021 Federal Income Tax Returns and all applicable IRS 1040 schedules and W-2 Forms online. After this date, decisions will be made on a first-come, funds availability basis.
February 1, 2023	**New Parents**: Submit Parent's Financial Statement (PFS) online with supporting documents to https://sssandtadsfa.force.com/familyportal/. The school code for Williston is 8230. All supporting documents must be uploaded directly to SSS, please see the Financial Aid Guidelines for more information about appropriate documents.
March 10	**New Parents**: Financial aid decisions will be available with admission decisions in the Admission Parent Portal.
Around March 18	**Returning Parents**: Financial aid decisions will be available in your Veracross Reenrollment Portal.

Additional Information, If Applicable:

To be considered for Financial Aid, candidates must complete an Admission Application by January 15th as well as submit a financial aid application with supporting documents through SSS by February 1st.

If these dates have passed, please submit your information as soon as possible. Each year due to high demand and increased competition for financial aid, the financial aid budget is typically exhausted by May 1st. It is important to note that returning students who do not apply or receive financial aid their first year are unlikely to receive aid in the following years.
