

# PERFORMING ARTS CONCENTRATION

---

The Performing Arts Concentration recognizes and supports the passions and efforts of students who are deeply involved with the Performing Arts at Williston and who are engaged with the arts beyond our academic or extra- curricular requirements. It is designed to help you to successfully prepare and plan for electing for extra arts activities. However, we will grant no waivers for any required Williston program (academic or afternoon program) to enable you to complete the concentration. Students who qualify may be eligible for an increase in the Arts Intensive afternoon program trimesters usually allowed.

\*Students interested in a concentration must meet with the VPA Department Chair to get started.

#### 4. Experience:

- a) Provide a brief history of your arts study (both at Williston and previously, if applicable). Which courses have you taken, or which programs have you participated in?
- b) Why do you want to be recognized as having completed an Arts Concentration Designation?
- c) What is/are your area(s) of artistic strength or specialization?

## 5. Hopes and Dreams:

- a) Give a brief description of your plan to complete the required elements of the Arts Concentration. How and when will you do it, which required activities from both Columns A and B will you do, and when?

**Please Note:** Recognition of having completed the Arts Concentration is at the discretion of your Arts Faculty Mentor, with whom you should check in regularly (at least once a trimester) about your progress.
