

WILLISTON FOOTBALL 2023 CLINIC

From Monday, July 17th through Thursday, July 20th, and from Monday, July 24th through Thursday, July 27th, Williston Football Coach Tommy Beaton, along with current Williston Football assistant coaches and players, will be running two football clinics for 7-14 year olds at Sawyer Field on the Williston Northampton campus. The clinics will run from 9:00 am to 12:00 pm each day. Our experienced staff members will help each camper learn the fundamentals while assisting them in developing their skills using proper techniques. Offensive and defensive position drills follow proper stretching and warm-ups each day, along with fun football competitions. Campers will then apply what they've learned earlier in the day and bring it to the field for exciting flag football games. A great opportunity for young athletes of all levels looking to improve their game, have fun, make new friends, and raise their confidence.

The cost of a week of clinics will be \$200.00 per player. There are discounts for multiple participants from the same family and for signing up for both clinics; check in with Tommy Beaton about those discounts. Lunch will not be provided.
