STEWARDSHIP, GROWTH, AND IMPACT

Building momentum through strong performance and new gifts

Gifts to Williston Northampton School's endowment are invested with the goal of permanence and impact. The original principal remains intact, while the income it generates benefits students, faculty, and programs year after year—creating a legacy that endures for generations. Your contributions allow Williston to plan with confidence and invest in opportunities that enhance the student experience.

5-YEAR ENDOWMENT GROWTH

Williston's $81.7 million endowment is an enduring resource. In 2025-2026, it grew by more than 22%, the largest increase over the past five years. Since 2021, the endowment has increased its value by 92%. New gifts to the endowment in 2025-2026 totaled $2.9 million, supporting hundreds of funds that benefit students, faculty, and campus programs. A strong endowment is essential to securing Williston's future, providing stability and flexibility for generations to come.

IMPACT ACROSS CAMPUS

The endowment strengthens nearly every aspect of the school. Thoughtful allocation and management allow the school to honor donor priorities while meeting evolving needs and embracing new opportunities. Specifically, gifts to the endowment help Williston to:

- Expand access through need-based financial aid
- Attract and retain exceptional faculty
- Enrich programs across academics, campus, and the community
- Maintain and enhance campus facilities

Distributions from nearly 300 endowed funds last year provided critical support for programs and initiatives that shape the daily experience of students and faculty. Every gift strengthens the school today while building a financial foundation for generations to come.

A LEGACY THAT ENDURES

Ultimately, the endowment is more than a financial resource—it is a commitment to sustaining a thriving, adaptable, and forward-looking school. Your generosity ensures that Williston remains a place where students flourish, faculty excel, and opportunities abound well into the future.

UNDERSTANDING THE ENDOWMENT

WHO OVERSEES THE ENDOWMENT?
Williston Northampton School's Investment Committee, a finance sub-committee of the Board of Trustees, oversees the endowment. The committee is responsible for implementing the Investment Policy Statement (IPS), monitoring results, and reporting regularly to the board.

HOW DOES THE COMMITTEE MAKE ITS INVESTMENT DECISIONS?
The Investment Committee follows the guidelines of the IPS, which defines objectives, roles, and broad parameters for managing the endowment. To carry out this work, the committee partners with Focus Partners – Institutional, an independent advisor that acts as an outsourced chief investment officer, recommending and managing diversified portfolios under the committee's oversight.

WHAT IS THE COMMITTEE'S INVESTMENT STRATEGY?
The committee pursues a policy of broad diversification, balancing risk and return to strengthen long-term performance while avoiding undue concentration in any single asset class.

WHAT IS THE SCHOOL'S SPENDING POLICY?
The school makes an annual endowment draw, calculated on the trailing 12-quarter average (a three-year period) of the endowment's total value, to supplement the operating budget. The Chief Financial Officer makes the draw in consultation with the committee. The long-term goal is to spend no more than five percent of the average value annually, though near-term commitments may require spending above that level.

THE LASTING IMPACT OF THE ELM TREE SOCIETY

From the first bequest by Samuel and Emily Williston, the school has been sustained by the generosity of those committed to its mission. In that spirit, the Elm Tree Society was established in 1992 by former Trustee Alan Dayton ’43 to honor those who continue their support through planned gifts.

Membership in the Elm Tree Society is open to anyone who includes Williston Northampton School in their estate plans—through a will or living trust, by naming the school as a beneficiary of a life insurance policy or retirement account, or by establishing a life-income gift. Today, more than 200 alumni, parents, and friends are proud members.

Gifts from Elm Tree Society members make a lasting difference. They strengthen the endowment, help build new facilities, support faculty development, and provide vital financial aid for students. Each gift ensures that Williston will thrive for generations to come.

THANK YOU!

We are deeply grateful to the members of the Williston Northampton School community whose generosity has established, sustained, and strengthened these endowed funds. Your investment in Williston ensures transformative opportunities for today's students and faculty and for generations to come.

To discuss supporting these funds, establishing a new fund, or becoming a member of the Elm Tree Society, please contact:
